Eastern Atlantic States

REGIONAL COUNCIL OF CARPENTERS

Change the Field

Kick the 9 to 5 and score a new career as a union carpenter.

SKIP THE CUBICLE

Skip the paperwork. Take on the challenge of working in the field. Pick a career where you can **work with your hands and mind and earn the industries' best wages.**

COMPETE TO SUCCEED

A career as a union carpenter is perfect for a competitive spirit. Push yourself to the next level and compete to become the best in the business. **Join a field where your hard work pays off.**

BUILD WHAT MATTERS

Be proud of being a skilled professional. When you work as a union carpenter, you are **building quality infrastructures,** such as sports arenas, schools, and bridges that your community relies on.

ARE YOU A HIGH SCHOOL ATHLETE READY TO TAKE YOUR TALENTS TO THE NEXT LEVEL?

Look no further than joining the carpenters' union to continue your success! With your **teamwork**, **collaboration**, and **leadership skills**, plus your **competitive drive**, you can succeed in a field with great pay, great benefits, and great opportunities for growth!
