

CARPENTERS' APPRENTICE READY PROGRAM

Searching for the job of a lifetime? Tired of a dead-end job and lousy pay? Now is the time to start a new career!

This unique program brought to you by the Regional Carpenters' Apprenticeship Committee was created to enhance opportunities for women and minorities. It offers qualified candidates the chance to pre-register for a pre-apprentice training program that introduces participants to the basics of the carpentry related construction industry. After graduation from the pre-apprentice training program, candidates can apply for entry into their local registered carpenter apprenticeship program.
