

# CARPENTERS' APPRENTICE READY PROGRAM

## **Searching for the job of a lifetime? Tired of a dead-end job and lousy pay? Now is the time to start a new career!**

This unique program brought to you by the Regional Carpenters' Apprenticeship Committee was created to enhance opportunities for women and minorities. It offers qualified candidates the chance to pre-register for a pre-apprentice training program that introduces participants to the basics of the carpentry related construction industry. After graduation from the pre-apprentice training program, candidates can apply for entry into their local registered carpenter apprenticeship program.

### **Do You?**

- Want an opportunity for a great job that offers a career path?
- Wish for the chance to try something new with no risk and no cost?
- Aspire to show commitment and willingness to take on hard work?
- Prefer working with your hands and your head?

### **Why Join CARP?**

- Opportunity to learn a unique trade that is always in demand and makes a positive difference in your life and in your community.
- Opportunity to earn family sustaining wages and benefits after successful completion of CARP once you enter your local registered apprenticeship program.
- Opportunity to earn professional pride and become a member of something bigger by joining an international organization of brothers and sisters dedicated to protecting workers' wages and rights.
